Certification

Full Stack Development (MERN)

ATTAINU

Feb,2020-Oct,2020

It was 9 months long full stack development course where I was taught the Javascript and the Mern stack technologies, was assigned daily task under the guidance of mentor and weekly test and tasks were assigned, at last I had made a capstone project which was a full stack project having backend in NodeJs with ExpressJs as framework and frontend in ReactJs with MongoDB as a database.
